400 watt security light — \$8.50 per month or \$102.00 per year

APPLICATION FOR SECURITY YARD LIGHT

The undersigned (hereinafter called the Applicant) hereby makes application to McCone Electric Co-op., Inc. (hereinafter called the Cooperative) for the installation of a **Security Yard Light** on the premise located _____.

The Cooperative hereby agrees to furnish a _____ watt light complete with photoelectric control and lamp. The Cooperative further agrees to install, maintain, furnish electricity for, and replace burned-out lamps at no additional charge other than the rate specified below, provided the light is installed on an existing transformer or meter pole. (If light is installed on a pole other than an existing transformer or meter pole, the cost of the pole shall be paid for by the applicant.) If a lamp is found to be broken at the time of replacement, the applicant will be required to pay for the cost of the new lamp plus a service charge.

The applicant hereby agrees to pay a monthly charge of \$_____ per lamp for each lamp installed on the above designated premises with same being due and payable along with the regular monthly bill for electric service. Or, if paid on an annual basis, the amount of \$ _____ shall be paid in advance at the beginning of each year.

The applicant hereby agrees that the light shall remain the property of the Cooperative and that same may be removed from the premises of applicant upon the request of the applicant or for non-payment of the specified charges.
